Your 500-character personalized message

With Postcardly, you can use your email to send real, printed postcards, delivered via U.S. Mail. Just send an email, and we automatically print and mail a postcard—with your words on the back and your attached picture on the front.

Here's how to redeem your gift certificate and start sending postcards:

1. Go to <http://www.postcardly.com> and enter your email address and a password to sign in.
2. Choose the **20-card prepaid plan**.
3. LEAVE ALL CREDIT CARD FIELDS BLANK.
4. Replace the words **FREETRIAL** with your unique gift certificate code.

Gift Certificate Code:
XHFI67S

And because you use Postcardly with your email, you can send postcards from anywhere you have access to email—on your smartphone, your home computer, your work computer, or even a far-flung Internet cafe while you're on vacation! No app required.

That's it! Enjoy sending your free postcards. If you have questions, email info@postcardly.net.
